

How to get to your Hotel

DIRECTIONS

The best way from the Central Japan International Airport (Chubu Centrair) is to use a train to Nagoya Station (Sakura Dori Exit).

There is a good train service between the Airport and Nagoya Station, taking 30-40 minutes.

<http://www.centrair.jp/en/access/ac-to-train/index.html>

From the Station (Sakura Dori Exit) to each hotel, it is less than a ten-minute walk.
